Dear Ms. Hisada Yuriko ,

The Embassy of the Republic of the Union of Myanmar would like to express our gratitude through this letter of appreciation for introducing Trehaclub Co. Ltd. Your effort has made it possible for a Fire Engine (Isuzu U-FRR32FBV) to be delivered to our people of Myanmar. Your action has further improve the safety of people living in Myanmar.

We hope to have your continued support for the people of Myanmar in the future and join us in our effort to develop our country.

Once again thank you very much for your help. We at the embassy really appreciate the assistance you have provided us.
